

# 2010 Team Presentations

The Spring Youth Forum isn't a traditional conference because all participants are also presenters! Part of being accepted to attend the Spring Youth Forum event means an opportunity to present your team's project to others for the opportunity to win great prizes!

The list of prevention teams who presented at the Spring Youth Forum 2010. All teams are listed in alphabetical order. All presentations have been added in PDF format. Presentations with all pictures or only videos were not added to the site. Additionally, teams that did not submit a release form to post their presentation did not have it posted. If you would like your presentation posted, please contact Julie Tieman at (877) 922-6635 or [contactus@springyouthforum.org](mailto:contactus@springyouthforum.org).
