POLICIES AND GUIDELINES

Please check the boxes showing your commitment and acknowledgement of the policies and guidelines of the scholarship and attendance at the Spring Youth Forum.

*** 1. TEAM ADULT ADVISOR STATEMENT OF COMMITMENT**

I agree to attend and assist my youth team at the Spring Youth Forum. I commit to ensuring that my team will participate in the entire Spring Youth Forum program and adhere to all event rules and policies. I am an authorized representative of my organization and am aware of the responsibility of being the Team Adult Advisor. I have downloaded, reviewed, and agree with the Team Adult Advisor Guidelines (available on the Spring Youth Forum website).

I have read and understand the above "Team Adult Advisor Statement of Commitment."

* 2. POLICIES AND GUIDELINES

Not all teams are guaranteed a scholarship and/or teams may be awarded partial scholarships. Team members can visit the FAQs page on the conference website for frequently asked questions and additional guidelines and tips. Priority will be given to applications that are completed and received by the deadline noted on the website. Given that there is a waiting list every year for scholarships, teams should prepare by obtaining permission and completing any supplemental funding for travel, lodging or event costs in advance. Teams not receiving scholarships will be placed on a waiting list. If additional scholarships become available, the Team Adult Advisor may be contacted. Teams not registered by the deadline will lose their scholarship. Should teams register less than the number of team members awarded a scholarship, the number of hotel rooms awarded may be adjusted (awarded to other teams who are in need of more rooms). It is the expectation that participants will share rooms when appropriate and feasible. Teams may need to purchase additional rooms for team members, chaperones and/or adult advisors. Contact UNR/COB after award notification if you need the code for lodging. If non-scholarshipped youth attempt to participate onsite with a team at the event, the team may be disqualified.

I have read and understand the above "Policies and Guidelines."
